## ● ABOUT ME

Experienced Front End Developer proficient in crafting dynamic web applications and digital solutions, boasting a track record of two years in the field.

## ● WORK EXPERIENCE

13/03/2021 – 08/11/2023 Prishtina, Kosovo

### FRONT END DEVELOPER BACKSTAGE DIGITAL MARKETING LLC

**Web Application Development:** Creating web applications using JavaScript, Node.js, React and Next.js to conceive, develop and deploy innovative web applications, improving user experience and functionality.

**WordPress Development:** WordPress development projects for various clients, ensuring seamless customization and optimization of websites to meet client specifications and industry standards.

**Bug Fixes and Feature Enhancements:** I diligently diagnosed and resolved technical issues, performed thorough testing, and implemented additional functionality on existing client websites, ensuring optimal performance and user satisfaction.

**Video Editing:** Used Adobe Premiere Pro and After Effects to execute professional-level video editing tasks, including cutting-edge visual effects and seamless post-production enhancements, contributing to the production of captivating multimedia content for clients.

CURRENT Mitrovica - Prishtine, Kosovo

### FULL STACK WEB DEVELOPER THEUNNIX LLC

- **Full Stack Web Development:** Led development projects that span the front-end and back-end aspects of web applications, ensuring seamless integration and functionality across the stack.

- **Cyber security testing:** I perform comprehensive assessments and testing of website security measures, identifying vulnerabilities and implementing robust cyber security solutions to protect against potential threats.

- **Conversion of websites to mobile apps:** Led the conversion of websites to mobile apps for iOS and Android platforms using Flutter, optimizing user experience and accessibility on various devices.

- **Code testing and deployment:** Use rigorous testing methodologies to validate code integrity and functionality, ensuring high quality products. Facilitated the deployment process to publish applications efficiently and effectively.

This comprehensive approach to cybersecurity development and security contributed to providing secure, scalable and user-friendly digital solutions to clients at TheUnnix LLC.
